Help Eliminate Auto Theft

Take your keys - Leaving Keys in Vehicles makes you an easy target. Thieves know where to look for spare keys
Secure your vehicle - Make sure all windows are closed and doors locked.
Keep Valuables Hidden - Do not keep valuables inside your vehicle. If you must, conceal them in a locked trunk.
Do not keep the your title in the vehicle.
NEVER hide a second set of keys in the vehicle.
NEVER leave your motor vehicle running unattended while warming it up. It makes you an easy target and it's illegal.
Auto Theft happens everywhere...Goodlettsville had 51 motor vehicle thefts in 2018. A large majority were cars that were left unlocked or left running unattended.
